

**TUITION COST \$300**

This includes student's online classes prior to arrival on campus, one weekend of supervised production with professional filmmakers, acting coaches etc.

Light club weekends lead to light clubs where students are encouraged to continue producing short redemptive film projects for their ministry and compete at TFI Film Festivals. Ongoing classes are made available to Light Clubs as well as TED type talks from industry professionals.

**Light Clubs take place at the local church level.**
